Dear Dr. Sandberg:

The Scientific Director, Dr. Sommers, and CTR's staff have discussed your letter of June 25 concerning the SMIC Workshop on lymphomas and myelodysplastic disorders to be held in Arizona.

This is a topic of interest to the Council; it is of importance to our mission. I therefore am pleased to tell you that Dr. Sommers has recommended that we make a contribution of \$3,500.00 for support of the meeting. A check for that amount is enclosed with this letter.

We request only that these funds not be used to pay for expenses incurred by any participants from the industrial sector.

Sincerely,

Harmon C. McAllister
